

**Monday, October 2<sup>nd</sup>, is the “STEP IT UP” assembly for your students! Please ask them about it when they get home Monday afternoon!**

The first PE and Mile Make up will be on Friday, October 6th at lunch. Please tell your student to meet Mrs. Gillette at the track at the beginning of lunch ready to run!

A note from LCC:

*LCC football games are a rather popular activity for our middle school students in the area. They have had two home games so far. Both games had some rather large middle school populations, which LCC loves! Their rule is that students not yet in high school cannot attend the games unless they have a parent with them. They do allow groups to come in if there is a parent willing to vouch for the group and supervise the students. So, if your student is cheering on the Mavs on Friday nights, please make sure a parent is attending with them and their friends.*

**After School Tutoring – Tuesdays & Wednesdays after school 3:10 - 4:00 p.m.**

**Yearbooks on sale now for \$45!**

**Don't wait until it is too late. Get your 2018 yearbook now.**

**For a limited time, you can also split the \$45 into 3 small payments.**
