Hey Diegueno,
After school tutoring is changing to help you make the most of your help time. After school tutoring is now called "Focused Tutoring" and is being separated by subject. Math/Science will be meeting after school on Tuesdays in Room C-5 and before school on Wednesdays in Room C-4. English/History will be meeting after school on Wednesdays and after school on Thursdays in Room P-4. Look in your classrooms for a yellow flyer for all days and times. Come on in and get some help!
