

Diegueño Community,

In the spirit of togetherness that we are developing here on our campus, we are delighted to continue a tradition we call DNO Family Nights. On these selected nights, teachers do not assign homework, and tests, quizzes, or projects will not be due on the following day. These DNO Family Nights are a time for students and parents to put down all distractions, unplug and reconnect.

We as a staff recognize and value the importance of technology and academic rigor. However, we also appreciate the importance of family time. We look at these evenings as an opportunity for family members to connect in other ways such as playing games, fixing a meal together, going out to dinner, or enjoying outdoor activities. Two of these scheduled nights are for your family to unplug at home, and the other two nights will be an opportunity to enjoy your time together at DNO with fun activities for the whole family. We hope you will join us in embracing this opportunity to celebrate family togetherness.

Sincerely,  
The Diegueno Family

**2017-2018 Family Nights:**

**Monday, October 9**

**Monday, December 4 (Winter Festival hosted at DNO)**

**Monday, March 12**

**Monday, May 14 (Spring Gala hosted at DNO)**
