Zero Period Option

A zero period option would allow students to begin school at 7:30 a.m. and leave as early as 12:10 p.m. two days a week. For attendance and grading, a zero period is treated exactly the same as a class taken during the regular school day. Please know that students may not be able to access before or after-school support programs should they elect to take a zero period. **If you are interested in enrolling your student in zero period, please visit our homepage and fill out the online Zero Period Survey. This is an interest survey only. You are not guaranteed zero period spot. Placement depends on teacher staffing and development of master schedule.**
