A note from LCC:

*LCC football games are a rather popular activity for our middle school students in the area. They have had two home games so far. Both games had some rather large middle school populations, which LCC loves! Their rule is that students not yet in high school cannot attend the games unless they have a parent with them. They do allow groups to come in if there is a parent willing to vouch for the group and supervise the students. So, if your student is cheering on the Mavs on Friday nights, please make sure a parent is attending with them and their friends*

**After School Tutoring – Tuesdays & Wednesdays after school 3:10 - 4:00 p.m.**

**From Mrs. Coy:**

If your students love to meet the authors of their favorite books, Mysterious Galaxy bookstore in Clairemont is the place to go. Mysterious Galaxy is the store that generously sends authors to Diegueño. In the next few weeks four very popular authors will be speaking and signing at the store, but they will not have time to stop by Diegueño so head on over to Clairemont to meet them! The authors are: Kristin Cashore(9/26), Marie Lu(9/23), Maggie Stiefvater(10/15), and Brandon Sanderson(11/14). Visit [www.mystgalaxy.com](http://www.mystgalaxy.com) for more information.

If you are dropping off your student at the front of the school, please drop them up on top of the green belt on Willowsprings and have them walk down the hill. Traffic is always very tight on Village Park Way. Please continue to be courteous to our neighbors on Coolngreen, do NOT block driveways or just stop where it could possibly cause a traffic issue. If you are dropping off in the back near the baseball field or Sun Vista Park, please follow all traffic signs and be courteous to all pedestrians and other drivers, do NOT park at the red curbs or drop students off in the middle of the street. Also, please DO NOT drive up the staff back driveway to drop students off, it is for staff parking ONLY. Thank you!
