

E-OPTION 10/9

Monday is a late start and school will begin at 10:05.

In the spirit of togetherness that we are developing here on our campus, we are delighted to continue a tradition we call DNO Family Nights. This Monday Oct. 9th, teachers do not assign homework, and tests, quizzes, or projects will not be due on the following day so our DNO Families can have time to put down all distractions, unplug and reconnect. Please read the flyer below for dates and more information regarding Diegueño's future Family Nights!

PARENT VOLUNTEERS NEEDED TO HELP WITH ASB EVENTS

Dear Diegueno Families,

Thank you so much for your support over the past few days of ASB's STEP IT UP fundraiser. So far, we have raised over \$33,000 for our school! ASB is super-excited to plan fun activities and events that will connect Diegueno students to their campus, and offer them fun opportunities to bond. The fundraiser lasts for another couple of weeks, so Diegueno families still have time to participate, if they haven't yet.

Another need we have in ASB and another way you can participate is by being a much-needed parent volunteer. We have several upcoming events lined up that need parent chaperones and/or drivers, including: our huge SPIRIT DAY celebration (10/27); our BEACON'S BEACH WATER STATION at the Surfing Madonna Run (11/5), our final STEP IT UP game day (11/13), and our canned food and toy drives that occur over the holiday season.

Will you help out our Diegueno Community and join us for these fun, student-centered events? If you can help out, please sign up on our volunteer form, and I will be in contact with you soon!

Here's the link to our volunteer form:

Warmly,

Marsi Rushing
