Diegueño Middle School's studio art is honored to announce that we have been selected as a recipient of a \$500 Teacher Grant being awarded by North Island Credit Union, a division of California Credit Union.

"Kids Helping Kids: Art Initiative" will provide the opportunity for all Diegueño Middle School students to help children at Rady Children's Hospital by sharing the gift of the arts. As a result, the entire DÑO community will be participating in an art supply drive (November 27 to December 15) to collect new Crayola crayons and markers per Rady's "In-Kind Donation" list. In addition, DÑO artists will be designing and creating new coloring books to send along with the donation of art supplies. The Teacher Grant awarded by North Island Credit Union will go directly to the purchasing of Crayola art supplies to be included in the donation.

Thank you North Island Credit Union for supporting Rady Children's Hospital, Diegueño Middle School, our community, and the arts!

**DÑO FAMILIES: HELP SHARE THE GIFT OF THE ARTS WITH CHILDREN AT RADY CHILDREN'S HOSPITAL
PLEASE DONATE NEW CRAYOLA CRAYONS AND MARKERS**

In order to protect patients from infection, all Crayola art supplies must be new.

When: November 27, 2017 to December 15, 2017

Where: Diegueño Middle School. Art students will collect donations before school hours in front of the school, or you may drop off donations in the front office or at the art classroom (room G5)

Thank you for making a difference in our community!
