If you are dropping off your student at the front of the school, please drop them up on top of the green belt on Willowsprings and have them walk down the hill. Traffic is always very tight on Village Park Way. Please continue to be courteous to our neighbors on Coolngreen, do NOT block driveways or just stop where it could possibly cause a traffic issue. If you are dropping off in the back near the baseball field or Sun Vista Park, please follow all traffic signs and be courteous to all pedestrians and other drivers, do NOT park at the red curbs or drop students off in the middle of the street. Also, please DO NOT drive up the staff back driveway to drop students off, it is for staff parking ONLY. Thank you!

Attention Students:

If you wear Contact Lenses, please remember to carry your personal contact lens solution, a contact lens case and back-up glasses with you while on campus.

ASB will be selling Welcome Week Grams for \$1 next Tuesday, Wednesday, and Thursday at lunch. Come to the table outside administration office to purchase grams and write messages that will be delivered to your friends!
